PREFACE

This document provides policy guidance regarding land use and related matters for the area known as the City of Des Moines (Figure 1-1). The Washington State Growth Management Act (RCW 36.70A) requires that Des Moines prepare and adopt a 20-year land use plan. This document is consistent with the Growth Management Act, the King County Countywide Planning Policies, and the plans of adjacent/affected jurisdictions.

As an expression of the intent, vision, and values of the City of Des Moines, the contents of the City of Des Moines Comprehensive Plan should guide the decisions of elected officials, appointed officials, city staff, property owners, consultants, and the providers of public services.

As required by the Growth Management Act, development regulations must be consistent with the contents of the Plan. While this document provides policy direction, specific regulations are contained within the Des Moines Municipal Code, or the regulations of other agencies with jurisdiction.
