Purpose and Recommendation

The purpose of this agenda item is for the second reading and approval of a cable franchise agreement with Comcast Cable Communications Management. The following motion will appear on the consent calendar:

Suggested Motion

Motion 1: "I move to pass Draft Ordinance No. 20-049, approving a ten year cable franchise agreement with Comcast Cable Communications Management."

Background

A franchise agreement authorizes an entity to make use of the city streets for the purpose of carrying on the business in which it is generally engaged, that is, of furnishing service to members of the public. The grant of a franchise is a special privilege that allows particular individuals to profit from the use of the city streets in a manner not generally available to the public as a common right. The state legislature has

granted authority to cities to grant a nonexclusive franchise. RCW 35A.47.040. Once granted, a franchise is a contract which is binding on both the grantor and the grantee.

The City's existing franchise agreement with Comcast was approved in 2003 and expired in 2009. Although the agreement has expired, the parties have continued to operate under the terms of the franchise. However, many of the terms and conditions are outdated and in need of updates.

Since expiration of the franchise in 2009, previous negotiations had stalled. However, in 2018, the City and Comcast began seriously negotiating a new agreement. This draft ordinance is the result of those negotiations. This draft ordinance has been reviewed by the City Council's Ad Hoc Franchise Committee and approved for submission to the City Council. The City Council reviewed this draft ordinance on September 24, 2020 and approved it for a second reading on October 8, 2020.

Discussion

There are a number of federal laws and rules that apply to cable franchise agreements which place limitations on a City's authority. Although cities are limited in what they can regulate, this Agreement addresses the areas where regulation is possible in order to effectively protect the interests of the citizens as well as to allow Comcast to provide residents of Des Moines with essential cable, internet and telephone services.

In general, many of the franchise provisions remain the same as the previous franchise. The key terms are detailed below.

1. **Franchise Term:** The term of the Franchise is for 10 years.
2. **Franchise fees:** Comcast will pay to the City 5% of gross revenues. This is consistent with the current fee and the maximum allowed under federal law.
3. **Performance and customer service:** City can hold performance evaluation session in a public meeting to consider compliance with federal laws and franchise. Additionally, Comcast will provide annual written report showing customer complaints and resolutions. Comcast has also provide a customer service phone number for the City to place on our website as well as on their billing documents.
4. **Indemnification/Insurance:** Franchise is consistent with prior agreement and sufficient to cover foreseeable events.
5. **Relocation, Undergrounding and Right of Way Management:** The Franchise reflects current City practice and is consistent with state law and prior franchise. Comcast is required to follow City permitting processes prior to installation of facilities or any work in the right-of-way. Comcast is also required to pay City permit fees as applicable.
6. **Taxes:** Under DMMC 3.68.060(5) the City imposes a 10% utility tax on cable providers.
7. **Abandonment:** The Franchise requires that Comcast inform the City of any equipment in the right of way that is no longer in use. The City can then decide whether to require it to be removed or to allow it to remain in place. Any removal would be at the sole expense of Comcast.

- 8. Additional Terms** – The majority of the remainder of the Agreement is boilerplate legal language. All language and terms have been thoroughly reviewed and negotiated and the City's interests are protected throughout these Agreements.

New Provisions: The following items are new or are significantly updated from the prior franchise.

1. HD Channel - As a result of this new agreement, the City will be receiving a high definition (HD) channel for the City's government access channel 21. The channel will be channel 321 and will be available for all customers who have HD services.
2. Increased PEG Fees - Public Access, Educational Access, and Government Access fees (PEG) provide funding for the City to purchase the equipment needed to broadcast on Channel 21 and now Channel 321. In the previous franchise, Comcast paid the City \$140,000 for equipment costs upon execution of the Agreement but did not call for additional payments over the remaining term. As a result, the City has not received any PEG fees since 2003. In this proposed draft, the City is seeking monthly payments of \$0.12 per customer per month in order to cover anticipated capital improvements over the first five years of the agreement. There is re-opener language in the agreement for a potential increase to \$0.15 after five years if the cost of improvements increases.
3. New federal actions: There has been some new federal laws and orders issued since the last franchise agreement that will affect this agreement. One specifically relates to complimentary service (free cable to public facilities). It is likely that under federal law this will soon be considered a form of franchise payment and Comcast would be able to subtract the cost of those services from their franchise payment. Once this order goes into effect, Comcast will notify the City and the City will need to consider if cable tv is needed at City facilities and other public facilities.

Non-Franchise Comcast Issue:

The City has previously expressed an interest in installing cable service at the City Activity/Senior Center. Outside of this agreement, pursuant to attachment 2 (side letter) Comcast has proposed to cover roughly \$2,500 of the cost of that installation. The remaining cost would be borne by the City (estimated cost \$13,000). Approval of this Franchise does not bind the City to move forward with this project.

Although this project was previously identified as a priority, it will need to be reassessed given COVID 19 and in coordination with the Senior Services Committee.

Follow up from September 24, 2020 Council meeting:

At the first reading on September 24, the question was asked about when the last performance evaluation of Comcast was conducted. Over the life of the franchise, Comcast has met with the City's administrative team numerous time to discuss the state of the cable system in Des Moines. One of these meetings resulted in a formal presentation to Council about Comcast's continued investment in the system across Des Moines. In addition to the face to face meetings, annual reports overview phone performance statistics, complaints, subscriber connects/disconnect, and performance under the FCC Technical Standards. The last performance review resulted in determining the need for HD PEG for the City Channel and put the parties on this pathway for renewing the franchise:

Alternatives

1. Pass the Draft Ordinance.
2. Do not pass the Draft Ordinance and direct staff to continue negotiations.

Financial Impact

The bulk of the taxes and fees that the City collects from Comcast will not change. The City will begin to receive additional PEG fees in the amount of \$0.12 per month per subscriber (\$8,000-\$10,000 per year). Residents of Des Moines who are Comcast customers will not see a rate increase due to this Agreement other than the \$0.12 per month.

Recommendation

The Legal Department, Planning, Building, and Public Works, and Finance Department recommend passing the Draft Ordinance to a second reading.

This Franchise is subject to and shall be governed by all applicable provisions now existing or hereafter amended of federal, State and local laws and regulations, except as specifically provided for within this Franchise.
- B. This Franchise expressly authorizes Grantee to provide Cable Services as allowed by applicable law, and to construct, operate, or maintain Cable System facilities in the Franchise Area. This Franchise is not a bar on Grantee's provision of non-Cable Services. Neither the City nor the Grantee waive any rights they may have under applicable law as to the lawful use of the Cable System for other services and the regulatory obligations related to such services.
- C. This Franchise shall constitute both a right to provide the Cable Services required by, and to fulfill the obligations set forth in, the provisions of this Franchise.

1. Grantee acknowledges, without waiving its right to challenge any City ordinance or regulation that conflicts with its rights under this Franchise, that its rights hereunder are subject to the police powers of the City to

adopt and enforce ordinances necessary to protect the health, safety, and welfare of the public, and Grantee agrees to comply with all applicable laws and ordinances enacted by the City pursuant to such power.

2. This Franchise shall not be interpreted to prevent the City from lawfully imposing additional conditions, including additional compensation conditions for use of the rights-of-way.
3. No rights shall pass to Grantee by implication and this Franchise shall not include, nor be a substitute for:
 - a. Any other permit or authorization required for the privilege of transacting and carrying on a business within the City that may be required by the ordinances and laws of the City;
 - b. Any permit, agreement, or authorization required by the City for rights-of-way users in connection with operation on or in rights-of-way or public property, including, by way of example and not limitation, construction or excavation permits; or
 - c. Any permits or agreements for occupying any other property of the City or private entities to which Access is not specifically granted by this Franchise including, without limitation, permits and agreements for placing devices on poles, in conduits or in or on other structures.
- F. This Franchise is intended to convey limited rights and interests only as to those rights-of-way in which the City has a proprietary interest, is not a warranty of title or interest in any rights-of-way, does not provide the Grantee with any interest in any particular location within the rights-of-way, and does not confer rights other than as expressly provided in the grant hereof.
- G. This City has granted this Franchise in reliance upon the Grantee's business skill, reputation, financial capacity, and character and may not be assigned, transferred, conveyed, or otherwise encumbered without the express written consent of the City pursuant to Section 15 of this Franchise.

3.2 Use of Rights-of-Way

- A. Any privilege claimed under this Franchise in any right-of-way shall be subordinated to any prior lawful occupancy of the right-of-way.
- B. Within parameters reasonably related to the City's role in protecting the public health, safety, and welfare, the City may require, through the permitting process, that the Cable System Facilities be installed at a particular time, at a specific place, or in a particular manner as a condition of Access to a particular right-of-way and may deny access if Grantee is not willing to comply with the City's requirements.

3.3 Term

- A. The term of this Franchise, and all rights, privileges, obligations, and restrictions pertaining thereto, shall be ten (10) years from the Effective Date of this Franchise, unless terminated earlier as provided herein.
- B. The City and Grantee agree that any proceedings undertaken relative to the renewal of this Franchise shall be governed by and comply with the provisions of 47 U.S.C. § 546.
- C. If Grantee requests renewal of this Franchise in accordance with the provisions of Section 626 of the Cable Act prior to the expiration of its term or any extension thereof, the Franchise automatically continues month to month until renewed or until either party gives written notice at least one hundred eighty (180) days in advance of the intent not to renew the Franchise.

3.4 Acceptance and Effective Date

- A. This Franchise, and any rights granted hereunder, shall not become effective for any purpose unless and until Grantee files with the City Clerk (1) the Statement of acceptance, Attached hereto as Exhibit 1, and incorporated herein by this reference, (2) all verifications of insurance coverage specified under Section 6.3, and (3) the security specified in Section 6.4. These three items shall collectively be the "Franchise acceptance." The Effective Date of this Franchise shall be the date upon which the City Clerk Receives the Franchise acceptance.

- B. Should Grantee fail to file the Franchise acceptance with the City Clerk within sixty (60) days after this Franchise is approved by City Council, this Franchise may be null and void.

3.5 Franchise Nonexclusive

This Franchise shall be nonexclusive, and subject to all prior rights, interests, easements, permits or licenses granted by the City to any Person to use any property for any purpose whatsoever, including the right of the City to use the same for any purpose it deems fit, including the same or similar purposes allowed Grantee hereunder, and the City may at any time grant authorization to use the Rights-of-Way for any purpose not incompatible with Grantee's authority under this Franchise and for such additional franchises for cable systems as the City deems appropriate.

3.6 Effect of acceptance

By accepting this Franchise, Grantee: (A) acknowledges and accepts the City's legal right to issue and enforce the Franchise; (B) agrees that it will not oppose the City's intervening, to the extent the City is legally entitled to do so, in any legal or regulatory proceeding affecting the Cable System; (C) accepts and agrees to comply with each and every provision of this Franchise; and (D) agrees that the Franchise was granted pursuant to processes and procedures consistent with applicable law, and that it will not raise any claim to the contrary.

3.7 Modifications to this Franchise

- A. This Franchise is subject to the lawful terms and conditions of the DMMC, as the same is now or is hereafter amended by the lawful exercise of the City's police powers.
- B. This Franchise may be amended at any time by mutual written agreement of the parties for any reason.
- C. Competitive Equity:
 - 1. The City reserves the right to grant additional franchises or similar authorizations to provide Video Programming services via Cable Systems or similar wireline systems located in the Right of Way. The City intends to treat wireline competitors in a

nondiscriminatory manner in keeping with federal law. If, following the Effective Date of this Franchise, the City grants such an additional franchise or authorization to use the Right of Way to provide such services and Grantee believes the City has done so on terms materially more favorable than the obligations under this Agreement, then the provisions of this subsection will apply.

2. As part of this Franchise, the City and Grantee have mutually agreed upon the following terms as a condition of granting the Franchise, which terms may place the Grantee at a significant competitive disadvantage if not required of a wireline competitor: the Franchise Fee, PEG Access funding, PEG Access Channels, records and reports, and customer service obligations (hereinafter "Material Obligations"). The City and Grantee agree that these Material Obligations bear no relationship to the technology employed by the Grantee or a wireline competitor and as such can reasonably be expected to be applied fairly across all wireline competitors. The City and Grantee further agree that this provision shall not require a word for word identical franchise or authorization for competitive equity so long as the regulatory and financial burdens on each entity are generally equivalent.

3. Within one (1) year of the adoption of a wireline competitor's franchise or similar authorization, Grantee must notify the City in writing of the Material Obligations in this Franchise that exceed the Material Obligations of the wireline competitor's franchise or similar authorization. The City shall have one hundred twenty (120) days to agree to allow Grantee to adopt the same Material Obligations provided to the wireline competitor, or dispute that the Material Obligations are different. In the event the City disputes that the Material Obligations are different, Grantee may bring an action in federal or State court for a determination as to whether the Material Obligations are different and as to what Franchise amendments would be necessary to remedy the disparity. Alternatively, Grantee may notify the City that it elects to immediately commence the renewal process under 47 U.S.C. § 546 and to have the remaining term of this Franchise shortened to not more than thirty (30) months.

4. Nothing in this subsection is intended to alter the rights or obligations of either party under applicable federal or State law, and it shall only apply to the extent permitted under applicable law and FCC orders. In no event will the City be required to refund or to offset against future amounts due the value of benefits already received.
5. This provision does not apply if the City is ordered or required to issue a franchise on different terms and conditions, or it is legally unable to do so; and the relief is contingent on the new Cable Operator actually commencing provision of service in the market to its first customer. Should the new Cable Operator fail to continuously provide service for a period of six (6) months, the City has the right to implement this Franchise with its original terms upon one hundred eighty (180) days' notice to Grantee.
6. This subsection does not apply to open video systems, nor does it apply to common carrier systems exempted from franchise requirements pursuant to 47 U.S.C. § 571; or to systems that serve less than 5% (five percent) of the geographic area of the City; or to systems that only provide video services via the public Internet.

SECTION 4: FRANCHISE FEES AND FINANCIAL CONTROLS

4.1. Franchise Fees

As compensation for the use of the City's Rights-of-Way, Grantee shall pay as a Franchise Fee to the City, throughout the duration of this Franchise, an amount equal to five percent (5%) of Grantee's Gross Revenues, which shall commence on the Effective Date of this Franchise.

4.2. Payments

Grantee's Franchise Fee payments to the City shall be computed quarterly for the preceding quarter. Each payment shall be due and payable no later than thirty (30) days after the end of the preceding quarter, after which time interest will accrue. The quarters shall end respectively on the last day of March, June, September and December.

4.3. Acceptance of Payment

No acceptance of any payment shall be construed as an accord by the City that the amount paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release of any claim the City may have for further or additional sums payable or for the performance of any other obligation of Grantee.

4.4. Franchise Fee Reports

Each payment shall be accompanied by a written report to the City, verified by an authorized representative of Grantee, containing an accurate statement in summarized form which includes a breakdown by category of Grantee's Gross Revenues and the computation of the payment amount.

4.5. Audits

A. Upon forty-five (45) days prior written notice, the City shall have the right to conduct an annual independent audit of Grantee's records necessarily related to the enforcement of this Franchise and to re-compute any amounts determined to be payable under this Franchise.

1. If Grantee cooperates in making all relevant records available to the City, the City will attempt to complete each audit within six (6) months, and the audit period shall be no greater than the previous three (3) years, unless the City has information relating to previous years beyond the three (3) years which raises doubt as to the accuracy of payments made under this or previous franchises, in which case an additional three (3) years may be audited.
2. Any undisputed amounts due to the City as a result of the audit shall be paid within sixty (60) days following written notice to the Grantee by the City, which notice shall include a copy of the audit findings.
3. If the audit shows that Franchise Fees have been underpaid by five percent (5%) or more in any calendar year, Grantee shall pay for the cost of the audit up to five thousand dollars (\$5,000) per year being audited for a maximum of 3 years.

B. If Grantee disputes all or part of the audit findings, then the parties shall meet in an attempt to resolve the matter. If the parties are unable to resolve the matter, then

either of the parties may refer that matter to non-binding arbitration. Each party shall bear one-half of the costs and expenses of the arbitration proceedings. The decision of the arbitrator(s) shall be subject to judicial review at the request of either party.

4.6. Late Payments

In the event any payment due the City is not timely made, Grantee shall pay, in addition to the amount due, interest at the rate of twelve percent (12%) per annum from the payment due date until the City receives the payment.

4.7. Underpayments

If a Franchise Fee underpayment is discovered as the result of an audit, Grantee shall pay, in addition to the amount due, interest at the rate of twelve percent (12%) per annum calculated from the date the underpayment was originally due until the date the City receives the payment.

4.8. Maximum Franchise Fees

- A. The parties acknowledge that, at present, applicable federal law limits the City to collecting a franchise fee of five percent (5%) of Gross Revenues in a 12-month period.
- B. In the event that at any time throughout the term of this Franchise, the City is authorized to collect an amount in excess of five percent (5%) of Grantee's Gross Revenues and the City elects to do so, then this Franchise shall be amended by the parties consistent with such change provided however that all other Cable Operators within the Franchise Area are treated similarly.
- C. In the event that at any time throughout the term of this Franchise, the City may only collect an amount which is less than five percent (5%) of Grantee's Gross Revenues for franchise fees due to a change in federal law, then this Franchise shall be amended by the parties consistent with such change to provide for such lesser percentage.

4.9. Additional Commitments Not Franchise Fees

- A. No term or condition in this Franchise shall in any way modify or affect Grantee's obligation to pay in full the

Franchise Fee percentage listed in this Franchise. Although the total sum of Franchise Fee payments and additional Access capital contribution commitments set forth elsewhere in this Franchise may total more than five percent (5%) of Grantee's Gross Revenues in any 12-month period, Grantee agrees that the additional Access capital contribution commitments are excluded from the definition of Franchise Fee herein and are not Franchise Fees, nor are they to be offset or credited against any Franchise Fee payments due to the City, nor do they represent an increase in Franchise Fees to be passed through to Subscribers.

- B. Additionally, any security fund, performance bond or letter of credit shall not be offset against Franchise Fees. Furthermore, the City and Grantee agree that any utility tax, business and occupation tax or similar generally applicable tax or fee shall be in addition to any Franchise Fees required herein and there shall be no offset against Franchise Fees subject to applicable law.
- C. If Grantee elects to offset certain non-cash commitments or initiatives against the Franchise Fee in accordance with applicable law, Grantee will provide the City ninety (90) days' advance written notice, to include a detailed schedule of the amount it intends to offset, and the cost basis for each schedule item. The City will have the full ninety (90) days from receipt of Grantee's notice to respond. The City reserves the right to terminate Grantee's provision of any non-cash commitments or initiatives.

4.10. Payment on Termination

- A. If this Franchise is lawfully terminated, the Grantee shall file with the City within ninety (90) days of the date of the termination, a financial statement, prepared by a certified public accountant, or representative of the Grantee's Controller or Chief Financial Officer, showing the Gross Revenues received by the Grantee since the end of the previous fiscal year.
- B. Within thirty (30) days of the filing of the statement with the City, Grantee shall pay any unpaid Franchise Fee amounts as indicated.
- C. If the Grantee fails to pay its remaining financial obligations as required in this Franchise, the City may

satisfy the same by utilizing the funds from any security provided by the Grantee.

4.11. Tax Liability

The Franchise Fees shall be in addition to any and all taxes or other levies or assessments which are now or hereafter required to be paid by businesses in general by any law of the City, the State or the United States including, without limitation, sales, use, utility, occupation and other taxes, business license fees or other payments.

4.12. Bundling of Cable and Non-Cable Services

In no event will the Grantee unlawfully evade or reduce applicable Franchise Fee payments required to be made to the City due to discounted bundled services. Customer billing shall be itemized by service(s), and Grantee shall comply with all applicable laws regarding rates for Cable Services and all applicable laws covering issues of cross subsidization.

SECTION 5: ADMINISTRATION AND REGULATION

5.1. Authority

The City shall be vested with the power and right to administer and enforce the requirements of this Franchise and the regulations and requirements of applicable law, including the Cable Act, or to delegate that power and right, or any part thereof, to the extent permitted under law, to any agent in the sole discretion of the City.

5.2. Rate Regulation

All rates, fees, charges, deposits and associated terms and conditions to be imposed by the Grantee or any affiliated Person for any Cable Service as of the effective date shall be in accordance with applicable law.

5.3. Low Income Discount

As long as the Grantee offers Basic Service, the Grantee intends to offer a discount to those individuals who are low income (according to applicable federal guidelines) and either permanently disabled or 65 years of age or older and who are the legal owners or tenants of the Dwelling Unit. Such discounts will consist of thirty percent (30%) off of Basic

Service or the Basic Service portion of digital service packages when not discounted by inclusion in other promotional or programming package rates at which time the promotional or programming package rate will apply.

The City acknowledges that discounted services reflect a voluntary initiative on the part of Grantee and is not a requirement of this Franchise. Subject to applicable law, should Grantee elect to discontinue the low income discount, Grantee shall first provide the City with ninety (90) days' prior notice.

5.4. Performance Evaluations

- A. Upon thirty (30) days written notification, the City may hold performance evaluation sessions, no more than once every twelve months, whenever necessary to ensure proper performance of the provisions of this Franchise.
- B. All evaluation sessions shall be open to the public.
- C. Topics which may be discussed at any evaluation session include, but are not limited to, construction issues, Cable Service rate structures, Franchise Fee payments, liquidated damages, free or discounted Cable Service, application of new technologies, Cable System performance, Cable Services currently provided and programming offered, future plans of Grantee for new services or programs, Subscriber Complaints, privacy, modifications to this Franchise, judicial and FCC rulings, line extension policies and the City's or Grantee's rules; provided that nothing in this subsection shall be construed as requiring the renegotiation of this Franchise.
- D. During evaluations under this subsection, Grantee shall fully cooperate with the City and shall provide such information and documents as the City may reasonably require to perform the evaluation.

5.5. Leased Access Channel Rates

Grantee shall offer Leased Access Channel capacity on such terms and conditions and rates as may be negotiated with each lessee, subject to the requirements of Section 612 of the Cable Act. Upon request, Grantee shall provide a complete schedule of current rates and charges for any and all Leased

Access Channels or portions of such Channels provided by Grantee.

5.6. Late Fees

For purposes of this subsection, any assessment, charge, cost, fee or sum, however characterized, that Grantee imposes upon a Subscriber solely for late payment of a bill is a late fee and changes in late fee rates shall be noticed to the City and applied in accordance with applicable law.

SECTION 6: INDEMNIFICATION AND INSURANCE REQUIREMENTS

6.1. Indemnification

- A. **Indemnity:** Grantee agrees to indemnify, defend and hold harmless the City, its elected officials, officers, authorized agents, boards, volunteers and employees, acting in official capacity, from and against any liability, damages or claims, costs, expenses, settlements or judgments arising out of, or resulting from the granting of this Franchise or Grantee's activities, any casualty or accident to Person or property that occurs as a result of any construction, excavation, operation, maintenance, reconstruction, relocation, or any other act or omission done pursuant to the terms of this Franchise, provided that the City shall give Grantee timely written notice of its obligation to indemnify the City. Notwithstanding the foregoing, Grantee shall not indemnify the City to the extent that any damages, liability or claims resulting from the willful misconduct, concurrent negligence of the City, its officers, authorized agents, or employees, attorneys, consultants, volunteers, or independent contractors for which the City is legally responsible, or for any activity or function conducted by any Person other than Grantee in connection with PEG Access and/or Emergency Alert System.
- B. **Indemnification for Relocation:** Grantee shall indemnify, defend and hold the City, its elected officials, officers, authorized agents, boards, volunteers, and employees harmless for any damages, claims, additional costs, or expenses payable by the City related to, arising out of, or resulting from Grantee's failure to remove, adjust or relocate any of its facilities in the Rights-of-Way in a timely manner in accordance with any lawful relocation required by the City; including, but not limited to, claims for delay, damages, costs, and/or time asserted by any

contractor performing public work for or on behalf of the City.

- C. Procedures and Defense: With respect to Grantee's indemnity obligations set forth herein, Grantee shall provide the defense of any claims or actions brought against the City or any other indemnified party. Nothing herein shall be deemed to prevent the City from cooperating with Grantee and participating in the defense of any litigation by its own counsel at its own cost and expense; provided, however, that after consultation with the City, Grantee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Grantee shall have the authority to decide the appropriateness and the amount of any such settlement. However, Grantee may not agree to any settlement of claims financially affecting the City without the City's written approval that shall not be unreasonably withheld.
- D. Duty to Give Notice: The City shall give Grantee timely written notice of any claim or of the commencement of any action, suit or other proceeding covered by the indemnity in this Section. The City's failure to so notify and request indemnification shall not relieve Grantee of any liability that Grantee might have, except to the extent that such failure prejudices Grantee's ability to defend such claim or suit. In the event any such claim arises, the City or any other indemnified party shall tender the defense thereof to Grantee and Grantee shall have the obligation and duty to defend any claims arising thereunder, and the City shall cooperate fully therein.
- E. Separate Representation: If separate representation to fully protect the interests of both parties is necessary, such as a conflict of interest between the City and the counsel selected by Grantee to represent the City, Grantee shall pay for the City's selected counsel, from the date such separate representation is required forward, all reasonable expenses incurred by the City in defending itself with regard to any action, suit, or proceeding indemnified by Grantee.
- F. Inspection: Inspection or acceptance by the City of any work performed by Grantee at the time of completion of construction or maintenance projects shall not be grounds for avoidance of any of these covenants of indemnification.

6.2. Grantee's Further Responsibilities.

- A. Grantee shall indemnify and hold harmless the City from any workers' compensation claims to which Grantee may become subject during the Term of this Franchise. It is further specifically and expressly understood that, solely to the extent required to enforce the indemnification provided per this Franchise, Grantee waives its immunity under RCW Title 51; provided, however, the foregoing waiver shall not in any way preclude Grantee from raising such immunity as a defense against any claim brought against Grantee by any of its employees or other third party. This waiver has been mutually negotiated by the parties.
- B. Grantee's indemnification obligations shall include indemnifying the City for actions brought by Grantee's own employees and the employees of Grantee's agents, representatives, contractors, and subcontractors even though Grantee may be immune under Title 51 RCW from direct suit brought by such employee.

6.3. Insurance Requirements

- A. Grantee shall maintain in full force and effect at its own cost and expense each of the following policies of insurance or equivalent self-insurance.
- B. Grantee shall maintain:

Grantee shall provide to the City either (1) a copy of an endorsement covering the City as an Additional Insured for each insurance policy required in this Section and providing that such insurance shall apply as primary insurance on behalf of such Additional Insureds or (2) a copy of the blanket additional insured clause from the policies. Receipt by the City of any certificate showing less coverage than required is not a waiver of Grantee's obligations to fulfill the requirements. Grantee's insurance coverage shall be primary insurance with respect to the City. Any insurance or self-insurance maintained by the Additional Insureds shall be in excess of Grantee's insurance and shall not contribute to it. Grantee's insurance shall apply separately to each insured against whom a claim is made or lawsuit is brought, except with respect to the limits of the insurer's liability.

D. Coverage: Each policy shall provide that the insurance shall not be canceled or terminated so as to be out of compliance with these requirements without forty-five (45) days written notice first provided to the City via mail, and thirty (30) days' notice for nonpayment of any premium. Grantee agrees to maintain continuous uninterrupted insurance coverage, in at least the amounts required, until all work required to be performed under the terms of this Franchise is satisfactorily completed and, in the case of Commercial

General Liability Insurance, for at least one (1) year after expiration of this Franchise. Any failure of Grantee to comply with the claim reporting provisions of the policy(ies) or any breach of an insurance policy warranty shall not affect coverage afforded under the policy to protect the City. However, if coverage is not afforded under these circumstances, Grantee will indemnify the City for losses the City otherwise would have been covered for as an additional insured.

- E. Alternative Insurance: Grantee shall not cancel any required insurance policy without obtaining alternative insurance in conformance with this Franchise. Each of the required insurance policies shall be with insurers qualified to do business in the State of Washington with a Best's rating of no less than "A- VII."
- F. Verification of Coverage: In addition to the other requirements of this Section, Grantee shall furnish the City with certificates of insurance reflecting at least the minimum coverage and policy limits required hereunder. The certificates for each insurance policy are to be on standard forms or such forms as are consistent with standard industry practices.
- G. Grantee's policy shall not include any of the following endorsements, or their equivalent endorsements or exclusions:
1. Contractual liability limitation (GCL Form 21 39 or equivalent),
 2. Amendment of insured contract definition (CGL Form 24 26 or equivalent),
 3. Limitation of coverage to designated premises or project (CGL Form 21 44 or equivalent),

Grantee shall pay all premiums or costs associated with maintaining the security, and shall keep the same in full force and effect at all times and shall immediately replenish the bond upon foreclosure. Except as expressly provided herein or as otherwise specified in the City's construction permitting requirements, the Grantee shall not be required to obtain or maintain other security as a condition of being awarded the Franchise. Grantee shall not cancel the performance bond without obtaining an alternative performance bond in conformance with this Franchise.
- B. The security shall be subject to the approval of the City Engineer as to its adequacy under the requirements of this Section.
- C. In the event Grantee shall fail to substantially comply with any one or more of the provisions of this Franchise, then there shall be recovered, jointly and severally, any damages suffered by the City as a result thereof, including but not limited to, staff time, material and equipment costs, compensation or indemnification of third parties, and the cost of removal or abandonment of Facilities.
- D. The security required by this Section shall not be construed to limit Grantee's liability to the guarantee amount, or otherwise limit the City's recourse to any remedy to which the City is otherwise entitled at law or in equity.

SECTION 7: CUSTOMER SERVICE

7.1. Customer Service Standards

The City hereby adopts the customer service standards set forth in Part 76, §76.309 of the FCC's rules and regulations, as amended. The Grantee shall comply in all respects with the customer service requirements established by the FCC.

- B. The City may, in writing, request copies of any such records or books that are not identified as proprietary or confidential, and Grantee shall provide such copies within thirty (30) days of the transmittal of such request.
 - 1. One copy of all reports and records required under this or any other Section shall be furnished to the City at the sole expense of Grantee.
 - 2. If the requested books and records are too voluminous, or identified as proprietary and confidential, or for security reasons cannot be copied or removed, then the City shall inspect them at Grantee's regional office.

8.2. Confidentiality

- A. Grantee shall not be required to disclose information to third parties that it reasonably deems to be proprietary or confidential in nature, nor disclose books and records of any affiliate of Grantee that is not providing Cable Service in the Franchise Area.
- B. The City agrees to keep confidential any proprietary or confidential books or records of Grantee to the extent permitted by law; provided that Grantee shall be

responsible for clearly and conspicuously identifying the records as confidential or proprietary, and shall provide a brief written explanation as to why such information is confidential or proprietary and how it may be treated as such under State or federal law.

C. Grantee shall not be required to provide Customer information in violation of Section 631 of the Cable Act or any other applicable federal or State privacy law.

1. For purposes of this subsection, the terms "proprietary or confidential" include, but are not limited to, information relating to the Cable System design, as-built documents, fiber optic cable locations and maps, customer lists, marketing plans, financial information unrelated to the calculation of Franchise Fees or rates pursuant to FCC rules, or other information that is reasonably determined by Grantee to be competitively sensitive.

2. If the City receives a demand from any Person for disclosure of any information designated by Grantee as proprietary or confidential, the City shall, so far as consistent with applicable law, advise Grantee and provide Grantee with a copy of any written request by the Person demanding Access to such information within five (5) business days.

D. While it is not a legal obligation, the City, as a courtesy, will allow Grantee up to ten (10) business days to obtain and serve the City with a court injunction to prevent the City from releasing the Documents.

1. If Grantee fails to obtain a Court order and serve the City within the ten (10) business days, the City may release the Documents.

2. The City will not assert an exemption from disclosure on Grantee's behalf.

8.3. Maps and Records Required

Grantee shall make available to the City upon request:

1. A route map that depicts the general location of the Cable System facilities placed in the Right-of-Ways. The route map shall identify Cable System facilities as aerial or underground and is not required to depict cable types,

number of cables, electronic equipment, and service lines to individual Subscribers. The Grantee shall also provide, if requested, an electronic format of the aerial/underground facilities in relation to a Right-of-Way centerline reference to allow the City to add this information to City's geographic information system program;

2. A copy of all FCC filings that relate to the operation of the Cable System in the Franchise area; and
3. A list of Grantee's Cable Services, rates, and Channel line-up.

8.4. Submittal of Documents

- A. Upon written request, Grantee shall submit to the City a copy of any application, notification, communication or document of any kind, submitted by Grantee or its Affiliates to any federal, State or local courts, regulatory agencies and other governmental bodies if such document directly relates to the operations of Grantee's Cable System within the Franchise Area.
- B. Grantee shall submit such documents to the City no later than thirty (30) days after receipt of the City's request. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under federal, State, or local law such documents have been treated as confidential or determined to be confidential by a court of competent jurisdiction, or a federal or State agency.

8.5. Annual Reports

In lieu of DMMC Section 20.05.140, Grantee shall provide annual reports upon request from the City, thirty (30) days after the end of the first quarter. Grantee shall submit to the City a written report containing the following information:

- A. The most recently completed annual corporate report;
- B. A Gross Revenue statement for the preceding fiscal year and all deductions and computations for the period, reviewed by a certified public accountant, who may also be the chief financial officer or controller of Grantee;

This is accomplished through the inclusion of other regional Access programming, including educational and public Access, within the regional channel line-up that services the Franchise Area. The Grantee will endeavor to provide the Subscribers in the

Franchise Area with the other regional Access channels so long as the programmers offer them for use on the Cable System.

FCC technical standards shall be used for all testing and assessment of quality under this section.
- C. The Grantee shall provide Headend and hub equipment and routine maintenance and repair and replace, if necessary,

any of Grantee's equipment required to carry the Access signal to and from the City's and any other Access origination point and the Grantee's Headend and hubs for the Access Channels.

- D. If Grantee makes a change in its Cable System and related equipment and facilities, or in its signal delivery technology, which directly or indirectly affects the signal quality or method or type of transmission of Access programming or services, Grantee shall take necessary technical steps and provide necessary technical assistance, including the acquisition of all necessary equipment and full training of Access personnel, to ensure that the capabilities of Access Channels and delivery of Access programming are not diminished or adversely affected by such change. - B. Upon year five (5) of the Franchise term, both parties shall meet to assess whether the collection and remittance of PEG Fee set forth in Subparagraph A above is sufficient to meet the total identified community need for Access Channel capital of ninety-seven thousand and five-hundred dollars (\$97,500). Based upon that assessment findings, if both parties mutually agree an increase to the PEG Fee is necessary to accommodate the identified need, the PEG Fee may be increased to no more than fifteen cents (\$0.15) per Subscriber per month.

- C. The City shall have discretion to allocate the PEG Fee in accordance with applicable law. To the extent the City makes Access capital investments using City funds prior to receiving the monthly PEG Fee funds, the City is entitled to apply the subsequent monthly PEG Fee payments from Grantee toward such City capital investments. The City agrees that the PEG Fee may be treated as external costs under applicable federal law.
- D. Upon the Grantee's written request, the City shall submit a report no more frequently than annually on the use of the City specific Access Channels and capital PEG Fee. The City shall submit a report to the Grantee within one hundred twenty (120) days of a written request. The Grantee may review the records of the City regarding the use of the PEG Fee.

10.12. Rights-of-Way Vacation

If any street, or portion thereof, used by Grantee is vacated by the City during the term of this Franchise, unless the City Council specifically reserves to Grantee the right to continue its installation in the vacated street, Grantee shall, without delay or expense to the City, remove its Facilities from such street.

10.13. Inspection of Facilities

Upon reasonable notice, the City may inspect any of Grantee's Facilities or equipment within the Rights-of-Way and on other public property. - D. In removing or modifying the Facilities as provided in this Franchise, Grantee shall also remove all residue of hazardous substances related thereto; provided, however, that if it is determined that the Facilities did not cause the release of hazardous substances, Grantee shall have no duty to remove such substances.
- E. Grantee agrees to forever indemnify the City against any claims, costs, and expenses of any kind, whether direct or indirect, incurred by the City arising out of a release of hazardous substances arising from, connected to, or incident to the Facilities in the City's rights-of-way.

10.15. Reservation of City Use of Rights-of-Way

- A. Grantee agrees that its use of the Franchise Area shall, at all times except in instances of prior right, be subordinate and subject to the City's needs for municipal infrastructure and Access to the Franchise Area and the public's right to travel, except as may be otherwise required by law.
- B. Should Grantee fail to remove, adjust, or relocate its Facilities by the date established by the City Engineer, or his/her designee, and provided in writing to Grantee, the City may effect such removal, adjustment, or relocation and recover the cost thereof from Grantee, including all costs and expenses incurred by the City due to Grantee's delay.
- C. Grantee agrees to coordinate its activities with the City and all other utilities located within the public rights-of-way within which Grantee is undertaking its activity.
- D. Grantee shall not construct the Cable System in any manner that requires any Subscriber to install any cable, wire, conduits, or other facilities, under or over a right-of-way.

- E. The City expressly reserves the right to prescribe how and where Grantee Facilities shall be installed within the public rights-of-way and may, from time to time, pursuant to applicable sections of this Franchise, require the removal, and/or replacement thereof in the public interest and safety at the expense of Grantee.

- C. Grantee shall be responsible for all work performed by its contractors, subcontractors, or affiliated entities, and other Persons performing work on its behalf as if the work were performed by it, and shall ensure that all such work is performed in compliance with this Franchise and other applicable laws, and shall be, jointly and severally, liable for all damages and correcting all damage caused by them.

Grantee may negotiate and enter into pole attachment agreements with utilities maintaining poles in the Franchise Area and on terms acceptable to Grantee and the affected utilities.

10.19. Ducts and Conduits

- A. If the Grantee is constructing underground conduit for its own use, the City may require the Grantee to construct excess conduit capacity in the public ways, provided that the City enters into a contract with the Grantee consistent with RCW 80.36.150. The contract rates to be charged should recover the incremental costs of the Grantee, (calculated as the difference between what the Grantee would have paid for the construction of its conduit and the additional cost only of construction of the excess conduit). If the City makes the additional conduit available to any other entity for the purposes of providing telecommunications service or cable service for hire, sale, or resale to the general public, the rates to be charged, as set forth in the contract with the Grantee shall recover at least the fully allocated costs of the Grantee. The Grantee shall state both contract rates in the contract. The City shall inform the Grantee of the use,

and any change in use, of the requested conduit and related access structures, if any, to determine the applicable rate to be paid by the City.

- B. The City shall not require that the additional conduit space be connected to the access structure and vaults of the Grantee.
- C. Grantee occupancy of City-owned conduit. If the City owns or leases conduit in the path of the Grantee's proposed facilities, provided it is technologically feasible for the Grantee to occupy the conduit owned or leased by City, and further that the City shall provide the Grantee with access structure and vaults connecting the additional conduit to the Grantee's cable system to be accessed solely by the Grantee, the Grantee shall be required to occupy the conduit owned or leased by City in order to reduce the necessity to excavate the public way. The Grantee shall pay to City a fee for such occupancy which shall be the cost the Grantee would have expended to construct its own conduit from the outset, as certified by the Grantee's engineer and approved by the City Engineer. City and Grantee may agree to amortize the fee through annual payments to City over the term of the Franchise, including the time value of money.

SECTION 11: CABLE SYSTEM ARCHITECTURE AND TECHNICAL STANDARDS

Grantee's failure to correct deficiencies identified through this testing process shall be a material violation of this Franchise. Sites shall be re-tested following correction.

11.6. Additional Tests

- A. In addition to the above, and to the extent applicable, where there exists other evidence which in the judgment of the City casts doubt upon the reliability or technical quality of the Cable System, after giving Grantee thirty

(30) days prior written notice and a reasonable opportunity to cure, the City may require Grantee to conduct additional tests and analyze and report on the performance of the Cable System in the area having service problems.

- B. Grantee shall fully cooperate with the City in performing such testing and shall prepare the results and a report if requested, within thirty (30) days after such testing. This report shall include the following information:

- A. Service Connections: Grantee shall provide Cable Service within seven (7) business days of a request by any potential residential subscriber within the City provided, however, that service can be installed via a standard installation, as described below. For purposes of this subsection, a request shall be deemed made on the date of signing a service agreement or receipt by Grantee of a verified verbal request. Grantee shall provide such service with no line extension charge, except as specifically authorized below, at a nondiscriminatory installation charge for a standard installation, consisting of a one hundred twenty-five (125) foot service drop from the cable plant in the Right-of-Way to the exterior demarcation point for residential subscribers, with additional charges for non-standard installations computed according to a nondiscriminatory methodology for such installations.

- B. For non-standard installations that cannot be accommodated without an extension of Grantee's Cable System, the Grantee may elect to provide Cable Service to the requesting resident(s) for the line extension on a time and material cost basis.
- C. Distribution Line Extension Charges: The Grantee must make Cable Service available to every residential Dwelling Unit within the Franchise Area where the minimum density is at least thirty (30) Dwelling Units per strand mile in areas served by overhead facilities and sixty (60) Dwelling Units per mile in areas served by underground facilities. The Grantee may elect to provide Cable Service to areas not meeting the above density standard and charge the requesting resident(s) for the line extension on a time and material cost basis.
- D. Grantee shall provide Cable Service to Multiple Dwelling Units in accordance with this Franchise and applicable laws.
- E. Annexation: In the event of annexation by the City, or as development occurs, any new territory shall become part of the territory for which this Franchise is granted.

- A. If the Facilities pass over or under private or publicly owned property, Grantee is solely responsible for obtaining all necessary permission from the property owner.
- B. Grantee shall not install or attach any of its Facilities to any property without first securing the written permission of the owner or tenant of any property involved, or of such other person who has the right to approve or disapprove the attachment (authorized party), except if there is an existing utility easement; and in the event that such permission or easement is later revoked, Grantee at the request of the authorized party shall promptly remove any of its facilities and promptly restore the property to its original condition at Grantee's expense.
- C. Grantee shall perform all such installations and removals in compliance with state and local law and shall be responsible for any damage to residences or other property caused by the installation or the removal.

12.3. Connection of City and Other Public Buildings

The City acknowledges that Grantee currently provides certain complimentary video services to schools, libraries, and municipal buildings, without charge. The Grantee will voluntarily continue to provide this complimentary service, provided that the facilities are already served or are within 125 aerial service feet or 60 underground trench feet (a Standard Installation) of the Cable System, excluding those buildings or portions of buildings that house or occupy prison/jail populations. Th Grantee agrees to voluntarily continue until it elects to discontinue the provision of complimentary services if allowed under applicable law. At such time as the Grantee elects to discontinue the provision of complimentary services, the Grantee agrees that it will do so only after providing the City with at least one hundred twenty (120) days' prior written notice. Such notice shall document the proposed offset or service charges so that the City can make an informed decision as to whether to keep the services. Upon written notice from the Grantee, the City shall be given the full one hundred twenty (120) days to review the list of outlets receiving complimentary service and shall have the right to discontinue receipt of all or a portion of the outlets receiving complimentary service provided by the Grantee in the event the Grantee elects to discontinue the provision of complimentary service as set forth herein. If the Grantee elects to discontinue complimentary services and the FCC Order 19-80 is

later stayed or overturned in whole or in part by action of the FCC or through judicial review, the City and the Franchisee will meet promptly to discuss what impact such action has on the provision of the in-kind cable-related contributions to which this section applies.

SECTION 13: FRANCHISE VIOLATIONS

13.1. Non-Material Franchise Violations

A. Notice of Non-Material Violation: If the City believes that Grantee has failed to perform any non-material obligation under this Franchise, the City shall notify Grantee in writing, stating with reasonable specificity the nature of the alleged default, and Grantee shall have thirty (30) days from the receipt of such notice to:

2. Cure the default; or
3. Notify the City that Grantee cannot cure the default within thirty (30) days, because of the nature of the default. In the event the default cannot be cured within thirty (30) days, Grantee shall:
 - a. Notify the City in writing and with specificity the exact steps that will be taken and the projected completion date of each step necessary to promptly cure the default; and
 - b. Request a meeting pursuant to subsection B below for the City to determine whether additional time beyond the thirty (30) days specified above is indeed needed, and whether Grantee's proposed completion schedule and steps are reasonable.

B. Meet and Confer: If Grantee does not cure the alleged default within the cure period stated above, or denies the default, or the City orders a meeting, the City shall set a meeting, not less than fifteen (15) business days after Grantee's receipt of written notice from the City, to investigate the existence of the alleged default or the timing and procedure required to cure a default, and

provide Grantee with an opportunity to be heard and to present evidence in its defense.

- C. Notice to Correct: If, after the meeting, the City determines that a default exists, Grantee and the City may agree on a plan and schedule to cure the default, or the City shall order Grantee to correct or remedy the default within thirty (30) days, or within such additional time as the City determines.
- D. Determination of Default: The determination as to whether a non-material violation under this Franchise has occurred shall be within the discretion of the City, must be made in writing, and based upon findings that include Grantee's submissions; provided that any such determination may be subject to appeal to the City's hearing examiner or review by an arbitrator as described in Section 16.1.
- E. Enforcement: In the event Grantee does not cure the default within the time agreed upon by the Parties or ordered by the City and to the City's reasonable satisfaction, the City may recommend revocation of this Franchise pursuant to the procedures in subsection 13.2 or commence the arbitration procedures in section 16.1.

13.2. Material Franchise Violations

- A. The City shall notify the Grantee, in writing, of any alleged failure to comply with a material provision of this Franchise, which notice shall specify the alleged failure with reasonable particularity. The Grantee shall have thirty (30) days subsequent to receipt of the notice in which to:
 1. respond to the City, contesting the City's assertion that a default has occurred, and requesting a meeting in accordance with subsection (B), below; or
 2. cure the default; or
 3. notify the City that Grantee cannot cure the default within the thirty (30) days, because of the nature of the default.
 4. In the event the default cannot be cured within thirty (30) days, Grantee shall promptly take all reasonable steps to cure the default and notify the City, in writing

and in detail, as to the exact steps that will be taken and the projected completion date. In such case, the City may set a meeting in accordance with subsection (B) below to determine whether additional time beyond the thirty (30) days specified above is indeed needed, and whether Grantee's proposed completion schedule and steps are reasonable.

- B. If Grantee does not cure the alleged material default within the cure period stated above, or by the projected completion date under this section, or denies the default and requests a meeting in accordance with this section, or the City orders a meeting in accordance with this section, the City shall set a meeting to investigate said issues and the existence of the alleged default. The City shall notify Grantee of the meeting, in writing, and such meeting shall take place no less than thirty (30) days after Grantee's receipt of notice of the meeting. At the meeting, Grantee shall be provided an opportunity to be heard and to present evidence in its defense.
- C. If, after the meeting, the City determines that a default exists, Grantee and the City may agree on a plan and schedule to cure the default. Absent such agreement, the City shall order Grantee to correct or remedy the default or violation within thirty (30) days or within such other reasonable timeframe as the City shall determine. In the event Grantee does not cure the default within such time to the City's reasonable satisfaction, the City may:
1. recommend the revocation of this Franchise pursuant to the procedures in this franchise; or
 2. pursue any other legal or equitable remedy available under this Franchise or applicable law.
- D. The determination as to whether a material violation of this Franchise has occurred shall be within the discretion of the City. Any such determination by the City must be in writing and must be based upon findings that include Grantee's submissions, and such determination shall be subject to appeal to the City Council or review by a court of competent jurisdiction under applicable law.

13.3. Revocation

A. The City may revoke this Franchise and rescind all rights and privileges associated with this Franchise in any of the following circumstances:

1. if Grantee fails to cure any material obligation under this Franchise;
2. if Grantee willfully fails for more than three (3) days to provide continuous Cable Service;
3. if Grantee attempts to evade any material provision of this Franchise or to practice any fraud or deceit upon the City or subscribers;
4. if Grantee becomes insolvent, or if there is an assignment for the benefit of Grantee's creditors;
5. if Grantee willfully misrepresents material facts in the negotiation of this Franchise; or
6. if Grantee repeatedly breaches a material provision of the Customer Service Standards.

B. Prior to forfeiture or termination of the Franchise, the City shall give written notice to the Grantee of its intent to revoke the Franchise. The notice shall set forth the exact nature of the noncompliance. Grantee shall have forty-five (45) days from receipt of such notice to object in writing and to state its reasons for such objection and provide any explanation or cure the alleged default. In the event the City does not receive a timely and satisfactory response from Grantee, it may then seek a termination of the Franchise in accordance with this section.

C. The City shall submit a report and recommendation as to termination of the Franchise to the City's appointed hearing examiner who shall conduct a public hearing to determine if revocation of the Franchise is warranted. The hearing examiner shall act as the final decision maker for the City.

1. At least twenty one (21) calendar days prior to the public hearing, the City clerk shall issue a public hearing notice that shall establish the issue(s) to be addressed in the public hearing; provide the time, date and location of the hearing; provide that the City shall

hear any Persons interested therein; and provide that the Grantee shall be afforded fair opportunity for full participation, including the right to introduce evidence, to require the production of evidence, to be represented by counsel and to question witnesses, consistent with the adopted public hearing rules.

2. The hearing examiner shall hear testimony, take evidence, hear oral argument and receive written briefs. A transcript may be made of such proceeding and the cost shall be shared equally between the parties. A complete record of the public hearing shall be completed including all exhibits introduced at the hearing and an electronic sound recording.

D. Within thirty (30) days after the close of the hearing, the hearing examiner shall adopt a written recommendation to the City Council. If the decision of the hearing examiner is to revoke and terminate the Franchise, the City Council shall declare that the Franchise is revoked and terminated, and any form of surety is forfeited, unless the City Council finds a clear error in the hearing examiner's decision. The City council's written decision shall include findings of fact and conclusions derived from those facts which support the decision of the City council.

E. Grantee shall be bound by the City council's decision to revoke the Franchise unless an appeal to a court of competent jurisdiction is timely filed as allowed by applicable law.

13.4. Termination

A. If this Franchise expires without lawful renewal or is otherwise lawfully terminated or revoked, the City may, subject to applicable law:

1. Require Grantee to maintain and operate its Cable System on a month-to-month basis until a new cable operator is selected; or
2. Purchase Grantee's Cable System in accordance with federal law.

B. The City may order the removal of the above-ground Cable System facilities and such underground facilities from the City at Grantee's sole expense within thirty (30) days

following notice from the City. However, Grantee shall have no obligation to remove the Cable System where it utilizes the system to provide other, permitted and lawful, non-cable services and has any other authority under applicable law to maintain facilitates in the public rights-of-way, or where Grantee is able to find a purchaser of the Cable System who holds such authorization.

- C. If Grantee fails to complete any removal required by subsection 10.10 to the City's satisfaction, after written notice to Grantee, the City may cause the work to be done and Grantee shall reimburse the City for the costs and expenses incurred within thirty (30) days after receipt of an itemized list of the costs and expenses, or the City may recover the costs and expenses through Grantee's security instruments if Grantee has not paid such amount regarding removal, which shall include reasonable attorneys' fees and other costs for work conducted by City staff or agents.

13.5. Receivership

- A. At the option of the City, subject to applicable law, this Franchise may be revoked after the appointment of a receiver or trustee to take over and conduct the business of Grantee or an Affiliated Entity whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless:

1. The receivership or trusteeship is timely vacated; or
2. The receiver or trustee has timely and fully complied with all the terms and provisions of this Franchise, and has remedies all defaults under this Franchise.

- B. In the event that this Franchise is not revoked pursuant to subsection 13.4(A), the receiver or trustee shall execute an agreement duly approved by a court having jurisdiction, by which the receiver or trustee assumes and agrees to be bound by each and every term, provision and limitation of this Franchise.

13.6. Alternative Remedies

- A. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of either party to recover monetary damages, as allowed under applicable law, or to

seek and obtain judicial enforcement by means of specific performance, injunctive relief or mandate, or any other remedy at law or in equity.

- B. The City specifically does not, by any provision of this Franchise, waive any right, immunity, limitation or protection otherwise available to the City, its officers, officials, City Council, Boards, commissions, agents, or employees under federal, State, or local law (including, for example, Section 635A of the Cable Act).

13.7. Remedies Cumulative

- A. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of either party to recover monetary damages, as allowed under applicable law, or to seek and obtain judicial enforcement by means of specific performance, injunctive relief or mandate, or any other remedy at law or in equity.
- B. The City specifically does not, by any provision of this Franchise, waive any right, immunity, limitation or protection otherwise available to the City, its officers, officials, City Council, Boards, commissions, agents, or employees under federal, State, or local law (including, for example, Section 635A of the Cable Act).

13.8. Assessment of Liquidated Damages

- A. Because it may be difficult to calculate the harm to the City in the event of a breach of this Franchise by Grantee, the parties agree to liquidate damages as a reasonable estimation of the actual damages.
 - 1. Nothing in this subsection is intended to preclude the City from exercising any other right or remedy with respect to a breach that continues past the time the City stops assessing liquidated damages for such breach.
 - 2. The City shall first follow the violation procedures in Section 13 for written notice to Grantee and a thirty (30) day right to cure period under this Franchise before assessing liquidated damages.

- B. The City shall not assess any liquidated damages if Grantee has cured or commenced to, and completes, the cure pursuant to this Franchise.
- C. The first day for which liquidated damages may be assessed, if there has been no cure after the end of the applicable cure period, shall be the day after the end of the applicable cure period, including any extension of the cure period granted by the City.
- D. Liquidated damages as defined by this subsection may be assessed for no more than one hundred and eighty (180) calendar days for any individual incident, after which time the City may implement other remedies as defined in this Franchise and under applicable law.
- E. The Grantee may appeal (by pursuing judicial relief) any assessment of liquidated damages within thirty (30) days of paying the assessment.
- F. Pursuant to the requirements outlined herein, liquidated damages shall not exceed the following amounts:
1. One hundred dollars (\$100.00) per day for material departure from the FCC technical performance standards;
 2. One hundred dollars (\$100.00) per day for failure to provide the Access Channel or any equipment related thereto which is required hereunder;
 3. One hundred dollars (\$100.00) per day for each material violation of the Customer Service Standards;
 4. One hundred dollars (\$150.00) per day for failure to provide reports or notices as required by this Franchise;
 5. One hundred dollars (\$250.00) per day for failure to comply with construction, operation, or maintenance standards; and
 6. One hundred dollars (\$250.00) per day for any material breaches or defaults not previously listed.
- G. Grantee's maintenance of the security required herein or by applicable code shall not be construed to excuse unfaithful performance by Grantee of this Franchise; to limit liability of Grantee to the amount of the security; or to

otherwise limit the City's recourse to any other remedy available at law or equity.

13.9. Effect of Abandonment

- A. If Grantee abandons its Cable System during the Franchise term, or fails to operate its Cable System in accordance with its duty to provide continuous service, the City, at its option, may obtain an injunction, or operate the Cable System, or designate another entity to operate the Cable System temporarily until Grantee restores service under conditions acceptable to the City, or until the Franchise is revoked and a new franchisee is selected by the City.
- B. If the City operates the Cable System, or designates another entity to operate the Cable System, Grantee shall reimburse the City or the City's designee, as applicable, for all reasonable costs and expenses incurred.
- C. If Grantee permanently abandons its entire Cable System, for a period greater than 12 months, then, at the City's sole discretion, such Cable System may become the property of the City, and Grantee shall then submit to the City a bill of sale and other conveyance documents, to be approved in advance by the City Attorney, transferring ownership of such property to the City.

SECTION 14: FRANCHISE RENEWAL

Any renewal of this Franchise shall be governed by and comply with the provisions of Section 47 U.S.C. § 546, as amended, unless the procedures or substantive protections set forth therein shall be deemed to be preempted or superseded by the provisions of any subsequent federal or State law.

SECTION 15: FRANCHISE TRANSFER OR ASSIGNMENT

- A. Subject to 47 U.S.C § 537, the Cable System and this Franchise shall not be sold, assigned, transferred, leased or disposed of, either in whole or in part, either by involuntary sale or by voluntary sale, merger or consolidation; nor shall title thereto, either legal or equitable, or any right, interest or property therein pass to or vest in any Person (hereinafter "Transfer of the Franchise") without the prior written consent of the City, which consent shall not be unreasonably withheld.

- B. Grantee shall promptly notify the City of any actual or proposed change in, or transfer of, or acquisition by any other party in Control of Grantee. The word "Control" as used herein is not limited to majority stock ownership but includes actual working Control in whatever manner exercised. Every change, transfer or acquisition of Control of Grantee, except as noted in subsection 15.H, shall make this Franchise subject to cancellation unless and until the City shall have consented thereto which consent shall not be unreasonably withheld.

In reviewing a Transfer Application, the City may inquire into any matter reasonably related to the ability and willingness of the prospective transferee or controlling party to perform, in accordance with 47 CFR § 76.502, and applicable DMCC.
- D. In seeking the City's consent to a Transfer Application, the proposed transferee or controlling party shall indicate whether, as applicable, it:
1. Has ever been convicted or held liable for acts involving deceit including any violation of federal, State or local law, or is currently under an indictment, investigation or complaint charging such acts;

In reviewing a Transfer Application, the City may inquire into the legal, technical and financial qualifications of the prospective controlling party or transferee, and Grantee shall assist the City in so inquiring. The City may condition said Transfer of the Franchise or change of Control upon such terms and conditions as it deems reasonably appropriate and as are consistent with federal law; provided, however, that any such terms and conditions so attached shall be related to the legal, technical and financial qualifications of the prospective controlling party or transferee. Additionally, such Person shall effect changes as promptly as practicable in the operation of the Cable System, if any changes are necessary to cure any violations or defaults presently in effect or ongoing.
- F. The City shall act by ordinance or resolution on the request within one hundred twenty (120) days of the request, provided it has received all information required by law, such as a completed FCC Form 394. Subject to the foregoing, if the City fails to render a final decision on the request within one hundred twenty (120) days, such request shall be deemed granted unless the requesting party and the City agree to an extension of time.
- G. Within sixty (60) days of closing of any Transfer of the Franchise or change of Control, if approved or deemed granted by the City, Grantee shall file with the City a copy of the deed(s), agreement(s), lease(s) or other written instrument(s) evidencing such Transfer of the Franchise or change of Control, certified and sworn to as correct by Grantee and the transferee or new controlling entity. In the case of a Transfer of the Franchise or change of Control, the transferee or the new controlling entity shall upon request by the City file its written acceptance agreeing to be bound by all of the provisions of this Franchise, subject to applicable law.
- H. Notwithstanding anything to the contrary in this Section 15, the prior approval of the City shall not be required for any sale, assignment or transfer of the Franchise or Cable System to an Affiliate; provided that the proposed assignee or transferee agrees in writing to comply with all of the provisions of the Franchise, subject to applicable law.
- I. Grantee may pledge the assets of the Cable System for the purpose of financing without the consent of the City; provided that such pledge of assets shall not impair or

mitigate Grantee's responsibilities and capabilities to meet all of its obligations under the provisions of this Franchise. In the event of a change in Control, the Grantee will continue to be bound by all provisions of the Franchise.

J. The consent or approval of the City to any Transfer of the Franchise or change in Control shall not constitute a waiver or release of any rights of the City.

[UPDATE DATE]

The purpose of this letter agreement is to set forth several commitments between Comcast Cable Communications Management, LLC (“Comcast”) and the City of Des Moines, Washington (the “City”) that are in addition to the renewal franchise agreement to be adopted by ordinance (hereinafter, “the Franchise”). This item has been negotiated in good faith and agreed to as part of the informal franchise renewal process pursuant to 47 U.S.C. § 546(h), and specifically relate to the unique community needs that exist in the City.

Senior Activity Center Cable System Extension

Comcast has determined that the cost estimate (above and beyond Comcast’s contribution) to the City for extending Comcast’s cable system to the Senior Activity Center at 2045 S 216th St. is \$13,146.25. Upon final execution of the renewed Franchise, Comcast agrees to construct the cable system extension project through its standard construction practices. To execute this commitment, the City shall provide a written request to Comcast within the first 12 months of the Franchise effective date. If requested by the City, Comcast will accommodate the upfront contribution required by the City through a deduction of an agreeable quarterly franchise fee payment after the conclusion of the project. The final extension cost will be provided to the City by Comcast before the deduction payment is scheduled.

The terms and conditions of this letter agreement are binding upon the City and Comcast and their successors and assigns. It is understood that fulfillment of these obligations is also necessary and part of the consideration to secure the renewed Franchise.

Sincerely,

Comcast Cable Communications Management, LLC

APPROVED BY CITY MANAGER
FOR SUBMITTAL: *[Signature]*

Purpose and Recommendation:

The purpose of this item is for the City Council to approve a contract amendment/addendum with Grant Fredricks for additional 2020 and 2021 consulting services related to the Sound Transit's (ST) Federal Way Link Extension (FWLE). Funds for the proposed amendment/addendum are available in the 2020 adopted budget and proposed 2021 budget by the \$3 million Task Order #3 of the Services Agreement between the City and Sound Transit for City FWLE project services through 2024. The following motion will appear on the Consent Calendar:

Suggested Motion:

Motion: "I move to approve Amendment/Addendum #10 to the Contract with Grant Fredricks, continuing professional consulting services through December 31, 2021, with an increase of \$15,000 for 2020 (bringing the total not-to-exceed amount for 2020 services to \$75,000.00) and up to \$60,000 in 2021 services, and authorize the City Manager to sign the contract amendment substantially in the form submitted."

Background:

Mr. Fredricks has been providing management consulting services under contract since January 2013 following his retirement from the City in November 2012. As a State Personnel System (PERS) 2 retiree, he may work up to 867 hours a year for employers covered by PERS such as the City. In 2013 he worked a total of 800 hours, 482 hours in 2014, 410 hours in 2015, 494 hours in 2016, 500 hours in 2017, 682 hours in 2018, 459 hours in 2019 and up to 500 2020 hours if this addendum is approved.

All of his 2020 time was spent on FWLE and will continue to be fully reimbursed by Sound Transit under the terms of Task Orders #3.

Discussion

Mr. Fredricks had been working in Des Moines four or five days a month until the City Hall COVID-19 closures and from his home office when it was not necessary to commute to City Hall. He occasionally participated in City Council and Council Committee meetings and currently represents the City with Sound Transit as a City project coordinator. He now works remotely from home.

In 2020, Mr. Fredricks has been working under an amended \$60,000 (400 hours) City Council-approved contract on FWLE planning, design review and permitting, managing agreements with Sound Transit, and working with Highline College on the College Way Connection Project in the College East Parking Lot. Mr. Fredricks' hourly rate was increased on July 1, 2018 and is proposed to remain unchanged through 2021.

The FWLE-related work in 2020 has been more complex and time consuming than anticipated when the 2020 contract was approved last summer. It has included reviewing detailed design builder plans and designs, completing Highline College's and Sound Transit's rights-of-way vacations and dedications; supporting City FWLE-designated task force staff through design and construction; and administering ST agreements.

Consultant Selection Process

Professions outside the fields described in RCW 39.80 may provide consulting services such as long-range planning and studies, project management, economic analyses, real estate negotiations, etc. These consulting services are provided through personal service agreements in accordance with RCW 39.29. For professional service contracts, like the one for Mr. Fredricks, the City can select or appoint based on the specific experience of the individual and the proposed work to be performed. There are no other specific selection requirements for professional service contracts.

Alternatives

Council may choose not to approve the 2020 contract amendment in which case Mr. Fredricks will continue to work until late fall when his contract authority is reached. Other staff would be required to back fill his assignments or new staff hired through the end of the year and in 2021.

Financial Impact

The 2020 budget has enough capacity to accommodate up to \$15,000 of additional 2020 spending because Sound Transit fully reimburses his time as provided for in Task Order #3. The adopted 2021 Budget will be developed to accommodate up to \$60,000 in services provided by this contract as proposed anticipating that these costs will be reimbursed by ST in accordance with Task Order #3 authorized by the City Council Services Agreement with ST.

Recommendation/Conclusion:

Staff recommends that Council approve the proposed contract Amentment/Addendum.

Purpose and Recommendation

The purpose of this agenda item is for City Council approval of the Street Sweeping Services Contract Addendum #1 with McDonough and Sons Inc. for a two year extension of Street Sweeping Services through the end of 2022. The following motion will appear on the consent calendar:

Suggested Motion

Motion: "I move to approve the Street Sweeping Services Contract Addendum #1 with McDonough and Sons Inc. for Street Sweeping Services for an additional two years in the not to exceed amount of \$111,562.56, and additionally authorize the City Manager to sign the Street Sweeping Services Contract Addendum #1 substantially in the form as submitted".

Background

On June 26, 2014, the City Council awarded the 2014 – 2018 Street Sweeping Services Contract to McDonough and Sons Inc. in the not to exceed amount of \$239,525.96 (for 53 months).

On September 17, 2018, the City extended the contract with McDonough and Sons Inc. for Street Sweeping Services as allowed by contract for two additional years at no additional bid pricing increase.

Discussion

Due to current COVID-19 conditions, and the current unstable economic environment; Staff decided to explore the option of another two year extension through the end of 2022 with the current sweeping vendor, provided the City and vendor could come to a mutually agreeable extension. The level of service the City has received over the past six years has been very good with minimal quality control issues and very few complaints from residents. In fact, the current vendor has provided the best level of service for the City and residents in the last dozen years or so. The current vendor was agreeable with the opportunity to continue providing sweeping services to the City. The current vendor is requesting a modest increase of \$2.00 per centerline mile of road swept. This will amount to an annual increase of \$3,287.04 over our current annual contract amount (\$52,494.24). For reference, even with this requested increase, the price of the runner-up vendor in 2014 was \$3.00 more per centerline mile. Given the past bid results and modest increase request, staff believes extending the contract is not only providing the optimum financial approach, but in the best interest of the City and citizens with regard to the positive level of service being experienced.

As a part of the City' National Pollution Discharge Elimination System (NPDES) permit, the City is required to routinely clean the conveyance system and adhere to best practices for keeping the storm system and catch basins clean. Regular street sweeping helps to mitigate the amount of debris entering the City's storm system. The Surface Water Enterprise fund is used to fund this service based on the need to keep the storm system clean and free of contaminants and debris.

Alternatives

- 1) The City could reduce or eliminate street sweeping services.
- 2) Staff could solicit bids for a new contract which could potentially increase the contract to an unknown amount going forward.

Financial Impact

The SWM Utility has sufficient funds budgeted for these sweeping services.

Recommendation

Staff recommends that Council approve the Street Sweeping Services Contract **Addendum #1** with McDonough and Sons Inc.

1) **SECTION II** of Contract dated July 14, 2014, is hereby amended to extend the Contract through December 31, 2022 as follows:

If Vendor is unable, for any reason, to complete any part of this Contract, the City may obtain the goods, materials or services from other sources, and Vendor shall be liable to the City for any additional costs incurred by the City. VI. TERMINATION. Either party may terminate this Contract, with or without cause, upon providing the other party thirty (30) days written notice at its address set forth on the signature block of this Contract.

VII. CHANGES. The City may issue a written amendment for any change in the goods, materials or services to be provided during the performance of this Contract. If the City determines that the change increases or decreases the Vendor's costs or time for performance, the City will make an equitable adjustment. The City will attempt, in good faith, to reach agreement with the Vendor on all equitable adjustments. However, if the parties are unable to agree, the City will determine the equitable adjustment as it deems appropriate. The Vendor shall proceed with the amended work upon receiving either a written amendment from the City or an oral order from the City before actually receiving the written amendment. If the Vendor fails to require an amendment within the time allowed, the Vendor waives its right to make any claim or submit subsequent amendment requests for that portion of the contract work. If the Vendor disagrees with the equitable adjustment, the Vendor must complete the amended work; however, the Vendor may elect to protest the adjustment as provided in subsections A through E of Section VIII, Claims, below.

The Vendor accepts all requirements of an amendment by: (1) endorsing it, (2) writing a separate acceptance, or (3) not protesting in the way this section provides. An amendment that is accepted by Vendor as provided in this section shall constitute full payment and final settlement of all claims for contract time and for direct, indirect and consequential costs, including costs of delays related to any work, either covered or affected by the change.

VIII. CLAIMS. If the Vendor disagrees with anything required by an amendment, another written order, or an oral order from the City, including any direction, instruction, interpretation, or determination by the City, the Vendor may file a claim as provided in this section. The Vendor shall give written notice to the City of all claims within fourteen (14) calendar days of the occurrence of the events giving rise to the claims, or within fourteen (14) calendar days of the date the Vendor knew or should have known of the facts or events giving rise to the claim, whichever occurs first. Any claim for damages, additional payment for any reason, or extension of time, whether under this Contract or otherwise, shall be conclusively deemed to have been waived by the Vendor unless a timely written claim is made in strict accordance with the applicable provisions of this Contract.

At a minimum, a Vendor's written claim shall include the information set forth in

B. Records. The Vendor shall keep complete records of extra costs and time incurred as a result of the asserted events giving rise to the claim. The City shall have access to any of the Vendor's records needed for evaluating the protest.

The City will evaluate all claims, provided the procedures in this section are followed. If the City determines that a claim is valid, the City will adjust payment for work or time by an equitable adjustment. No adjustment will be made for an invalid protest.

C. Vendor's Duty to Complete Protested Work. In spite of any claim, the Vendor shall proceed promptly to provide the goods, materials and services required by the City under this Contract.

D. Failure to Protest Constitutes Waiver. By not protesting as this section provides, the Vendor also waives any additional entitlement and accepts from the City any written or oral order (including directions, instructions, interpretations, and determination).

EXHIBIT "A" SCOPE AND SCHEDULE OF WORK

2014 – 2018 STREET SWEEPING SERVICES

1. TERM AND PAYMENT

- 1.1 **Term.** The contract for service shall be in effect for a term of fifty-three (53) months and shall commence on August 1, 2014, and shall end on December 31, 2018. The contract shall also include a satisfactory performance extension (at no additional bid pricing increase to the City) of twenty-four (24) months. The City will notify the Vendor in writing a minimum of thirty (30) days in advance of the contract termination date of the intent to extend the contract twenty-four (24) months based upon satisfactory performance.
- 1.2 **Payment.** Vendor shall be paid monthly (inclusive of all applicable sales tax) for complete sweeping of the streets listed within Exhibit "B" according to the schedule stated within the Exhibit and for any Extra or Emergency Callout Sweeping performed in compliance with all terms and conditions of this contract, for each month of services rendered.
- 1.3 **Payment for Change Orders consistent with Scope of Contract.** If the City executes change orders consistent with the scope of this contract increasing or decreasing the total linear curb footage beyond that originally set forth in this contract (whether it be public streets or approved private streets), the city shall pay Vendor for the additional footage at rates calculated as follows:

- 1.3.2 Determine the total additional footage per sweeping schedule for the added street(s), or the total subtracted footage per sweeping schedule for the deleted street(s);
- 1.3.3 Determine the Vendor's price per foot for each affected street schedule from the costs, linear curb footage, and schedules established in this contract;
- 1.3.4 Multiply the total additional footage (or subtracted footage) per sweeping schedule by the contract price per foot for that schedule.
- 1.4 **Missed Streets.** In the event streets are missed during the sweeping cycle defined in this contract, the City may, at its sole option, elect to require the Vendor to sweep the missed streets at no extra charge to the City, OR may elect to reduce the payment owed to the Vendor. The Vendor is satisfied with its own investigation and research regarding all of these conditions and the Vendor's decision to enter into the contract is based upon such investigation and research. The Vendor further assumes full responsibility for any estimates, statements, or interpretations made by any officer or agent of the City whether or not all or part of any of those estimates, statements, or interpretations may prove to be in any respect erroneous.

Care must be taken in order to protect the water system from damage or contamination. Water District #54 will need to inspect and approve ALL sweepers that will obtain water from them, to ensure their water system is duly protected.
- 4.5 **Protection of Utilities.** The Vendor shall protect all public and private utilities from damages by its operation. If these utilities are damaged by reason of the Vendor's operations, Vendor shall, at its own expense, promptly repair or replace same to the original and/or better conditions. In the event Vendor fails to promptly make the repairs, the City shall make the repair or replacement, and the cost of doing so shall be billed to Vendor, or alternately, the City may deduct that cost from any payments due the Vendor. The Vendor shall be responsible for all consequences and hold the City harmless caused by the damage or interruption of such Utilities services.
- 4.6 **Handling of Sweeping Material.** The Vendor agrees to the following process for handling the material generated from the sweeping operation:
- 4.6.1 Vendor recognizes that the debris or material collected by its street sweepers could contain dangerous or potentially hazardous wastes. Vendor agrees to collect, handle, and transport the debris or material specifically in accordance with all standards, rules and regulations now in effect or hereafter amended or enacted by the Washington State Department of Ecology and the United States Environmental Protection Agency to the City Public Works Service Center properly designated "Sweepings" storage bunker at 2255 South 223rd Street. Vendor further assumes full responsibility and holds the City harmless for complete compliance with all other applicable local, State, or Federal laws, rules or regulations that apply to the services provided in this contract as they affect the collection, handling, transportation, or disposal of hazardous wastes collected by its street sweepers.

Background

The Des Moines Police Guild January 1, 2019 to December 31, 2021 collective bargaining agreement, includes new language, “*Holiday Shift Coverage*” that provides an additional premium for staff, who are called into work on a holiday, to cover a shift. Staff will receive an additional (.50x) of their regular rate hourly rate for all overtime hours worked when filling a shift or providing extra coverage. The intent of this language is to assist management with covering shifts or scheduling for extra coverage on a holiday. This premium acts as an incentive for an officer, who is on their scheduled day off, to cover a shift on a holiday such as Thanksgiving or Christmas Day where ensuring shift coverage may be problematic.

Article 8. Hours of Work and Overtime, J. Overtime states that, “*overtime (1.5x rate) is paid for any time worked in excess of the employees scheduled workweek.*” An officer who reports to work on their day off will receive an overtime premium regardless if the day is holiday. The Holiday Shift Coverage language provides an additional (.50x) on top of the overtime premium the officer would already be entitled to receive. The Holiday Shift Coverage premium is designed to motivate an employee to come to work on their scheduled day off to ensure coverage for the City on holidays that tend to be busy for law enforcement. Overtime at the police department is typically offered on a voluntary basis.

Discussion

The negotiated MOU broadens the language of “*Holiday Shift Coverage*” to “*Overtime- Holiday premium.*” The proposed language would allow any employee that is called into work on their scheduled day off on a specific holiday (i.e. New Year’s Day, Independence Day, Thanksgiving Day or Christmas Day) to receive an additional (.50x) premium regardless if it was due to shift coverage or reporting to work for a homicide investigation. The current contract language is too restrictive. For example, if an officer is called into work in an overtime capacity on a holiday to provide shift coverage, they would be eligible for a (.50x) premium. However, a detective called into work on their scheduled day off on the same holiday, would not be paid the additional (.50x) premium because they were not “covering” or filling a shift. The proposed language ensures pay equity for any staff who are reporting to work on a scheduled day off at the City’s request on specific holidays regardless if it is for shift coverage or to investigate a crime.

Alternatives

None provided.

Financial Impact

The financial impact of this agreement will be minimal for the City. The current language and the additional (.50x) premium was already accounted for in the 2020 overtime budget for the police department. The proposed language now restricts the premium to certain holidays and is only applied if either staff coverage is needed or if staff are required to report to work. This proposed language will likely either generate a small savings to the City or potentially cost the same as the current language. Additionally, the proposed language ensures pay equity amongst staff for work of equal value.

Recommendation

Administration, Finance Human Resources and Legal recommend approval of the MOU.

APPROVED BY CITY MANAGER

FOR SUBMITTAL: 

Purpose and Recommendation

The purpose of this Agenda Item is to seek City Council authorization to proceed with the purchase of five Police vehicles as follows: One would be purchased as part of the 2020 budget, the remaining four would be purchased as part of the 2021 budget.

Suggested Motion

Motion 1: "I move to approve the purchase of an additional police vehicle in the amount of \$70,000 as part of the 2020 budget, and direct administration to include this purchase as part of the 2020 budget amendments."

Motion 2: "I move to authorize administration to move forward with the order and purchase of four police vehicles that are included in the 2021 budget, totaling \$280,000."

Background and Discussion

There is an emergent need to purchase a new police vehicle in 2020 to accommodate a new officer. Staff has the ability to purchase an existing police vehicle off of state contract from the Washington State Patrol. With Council authorization, that vehicle could be in service within the next 4-6 weeks, after set up is complete. This vehicle would be purchased and paid for in 2020, and would need to be included as part of the upcoming 2020 budget amendments.

The proposed 2021 budget includes the purchase of four (4) new Police Department fleet vehicles. The total price for the patrol vehicles including tax, equipment and set up fees will be approximately \$70,000.00 per vehicle. There is a significant lag time in the delivery of these fleet vehicles, especially when all other Cities are submitting their fleet orders, typically in December and early January. The goal here is to get in front of the line on our 2021 police fleet purchases, in order to get these vehicles into service sooner. While these vehicles would be ordered in October 2020, we would not receive or pay for the vehicles until 2021.

Alternatives

Council could choose to wait until the 2021 budget is passed to authorize the order and purchase of these vehicles. This will add several months to the delivery of these new fleet purchases.

Financial Impact

The projected 2020 budget, and the proposed 2021 budget include funds for these police vehicle purchases.

Recommendation

Staff recommends adoption of the proposed motions.
