This right of way permit is subject to the following conditions:

1. Permit subject to right-of-way use code. This permit is subject to the requirements of Chapter 12 of the Des Moines Municipal Code, City of Des Moines Street Development Standards and The Washington State Department of Transportation Standard Specifications for Road, Bridge, and Municipal Construction.

2. Hold harmless. The applicant agrees to defend, save, keep, and hold harmless the City of Des Moines, its officers, agents, employees, and volunteers from any and all damages, costs, or expenses in law or equity that may any time arise or be set up because of damages to property or personal injury received by reason of, or in the course of, or which may be occasioned by any willful or negligent act or omission of the applicant arising out of the activities for which this permit has been issued.

3. Relocation of facilities. The City of Des Moines reserves the right to require the applicant to relocate any facilities installed by authority of this permit when the City of Des Moines, in its sole discretion, determines that relocation of such facilities is required by public convenience and necessity. Relocation of facilities shall be at the sole expense of the applicant unless otherwise provided in an approved tariff filed with the Washington Utilities and Transportation Commission.

4. Inspections. It is required that inspection requests be scheduled 24 hours in advance by the contractor. To schedule inspections please call the **24 hour inspection request line (206) 870-6531**.

5. Traffic Control Plan. A traffic control is required prior to any construction within City Right-of-Way, and should be submitted with the permit application for review.
