

Neighborhood Emergency Team (NET) Volunteer Instructors WANTED!

Is emergency preparedness a passion of yours? Do you want to make a difference in your community? Yes? Then become a volunteer trainer for Des Moines Neighborhood Emergency Team (NET). You can be part of a dynamic team, helping neighborhoods prepare for and respond to any type of disaster.

The Des Moines Police Department and South King Fire & Rescue are looking for volunteers to instruct emergency preparedness classes. The Neighborhood Emergency Team (NET) training is scheduled to begin in the fall. If you like talking to people and helping others, this may be the job for you.

Each neighborhood program involves one or two hours over the course of several weeks presenting information about emergency preparedness. Bi-lingual skills are a plus, as we have a diverse community.
