

Swine Flu Information

- New Swine Flu, Stop Germs! poster has been translated into 17 languages and can be downloaded in PDF format at <http://www.kingcounty.gov/healthservices/health/communicable/stopgerms/posters.aspx>
- A new one-page Frequently Asked Questions (FAQs) is available on the PHSKC website in 12 different languages at: <http://www.kingcounty.gov/healthservices/health/preparedness/pandemicflu/swineflu/public.aspx>
- Updated guidance on school closures for King County schools is now available under Toolkit for Schools and Parents on the PHSKC website at: <http://www.kingcounty.gov/healthservices/health/preparedness/pandemicflu/swineflu/public.aspx>
- Public Health launched a Flu Hotline at 877-903-KING (5464). It will provide expanded service by offering callers an opportunity to speak with registered nurses, 24 hours, Monday - Friday. Hotline nurses will tell callers how to manage their symptoms at home, tell them if they need to see a doctor or health care provider and answer other medical questions about H1N1 flu.
- For updated recorded messages, call 206-296-4949. This line provides health and safety information about the current flu outbreak.
- CDC Information Line: 800-232-4636 (800-CDC-INFO) or 888-232-6348 TTY
