

# Marina District

## Charm

Downtown Des Moines invites you to spend the day browsing through charming boutiques or taking in spectacular vistas of Puget Sound over delicious fresh seafood. Rare treasures await you in boutique craft shops and the local specialty jeweler. Begin your walking tour at Big Catch plaza and take in the Sound and mountain views as you stroll through a town rich in history, originally founded in the 1870's. Explore the Des Moines souvenir and gift selection at the local drug store, and choose a memento for that special someone. The friendly local wine shop offers tastings every Saturday, and the award-winning gourmet meat market offers organic beef and the very freshest fish, carefully packed for your transport home.

Nightlife in the Marina District features sunset dining from a selection of newly renovated bars & restaurants. Dine, dance, or enjoy a game at the brand new sports bar. The beautiful historic theater, in the heart of downtown, offers movies to complete the evening.
